FROM : Interdepartmental Seminar Faculty Representative

SUBJECT: Weekly Activity Report (16-22 October 1963)

1. CIA Participants for Ninth Session, Interdepartmental Seminar

Eight candidates have been nominated by the DD's as follows:
DDP-4; DDI-2; and DDS-2 (1 each OC and OTR). The qualifications
of the candidates will be presented by DTR on 28 October to the Sub-
committee on Training. Earlier, at the request of DTR, the names of
two candidates from [REDACTED] were withdrawn as they were not as well
qualified as others available from DDI.

2. Curriculum for Ninth Session, Interdepartmental Seminar

With minor modifications, the curriculum and schedule were approved
by the Subcommittee as presented by the Coordinator. CIA lecturers are
the same as for the Eighth Session. Yet unresolved, however, are the
four ~~committees~~ ^{COUNTRIES} which will be used in the case studies in the fourth week.
The countries will be selected once CIA indicates the countries acceptable
to it for making a contribution to the case studies. The selection of the
countries and the degree of CIA participation in the case studies has been
referred to the DD/P Training Officer.
